

EVaulATION AND CEU INSTRUCTIONS

The Hospital Association of Southern California, Health Services Advisory Group, National Health Foundation and Convergence Health Consulting would like to thank you for being apart of the 2009 Southern California Patient Safety Collaborative.

To obtain your Continued Education Unit Certificate you will need to complete the program evaluation which is located online at the SCPSC website. Once you have completed the evaluation, your CEU will be mailed to you electronically.

******* Please keep in mind, the evaluation website closes two weeks after the conference. Please fill out the evaluation in a timely manner to ensure the receipt of your CEU *******

To access the evaluation, please follow the instructions below:

Website Link: <http://www.socalpatientsafety.org/>

Click "Meetings" tab

Click "Meeting Materials"

Click "Meeting date" (e.g. 05-07-09 Track I Meeting)

Click "Meeting Evaluation"

Please remember to fill in all contact information correctly. Your CEU can only be emailed to you when your contact information is received correctly and the evaluation is completed.

Your CEU certificate will be emailed to you within five days of the evaluation closing date.

Thank you
Hospital Association of Southern California
Health Services Advisory Group
National Health Foundation
Convergence Health Consulting
